The two best seasons to travel to Nepal would be spring and autumn. However, nowadays, it is seen that even summers/monsoon and winters have their charms and have started to see an inflow of tourists.

- **Autumn** (September, October & November) - Autumn is a popular time to travel, especially for trekking and hiking. Clear views and pleasant temperatures characterize this period. The most important festival during this period is Dashain and Tihar.
- **Summer** (June, July & August) - Considered an offseason period in Nepal. Sapphire Skies characterize this period, Lush Green valleys, beautiful landscapes, and less crowded. The most important festival during this period is Gai Jatra.
- **Winter** (December, January, and February) is considered an offseason period in Nepal. This is the best time to avoid the crowd as the skies are clear with great views of mountains. The most important festival during this period is Maha Shivaratri.

- ❖ Chitwan, being a jungle and remote area, the jungle activities and transfers vehicles are provided by hotels/lodges or resorts, which may be on SIC Basis and different than above. They may not also have air condition facilities.
- ❖ In our standard packages, we have considered vehicles based on maximum capacity. For instance, for 2 Pax traveling together, we have taken cars like Ford / Fiat / Manza / Swift Dezire; for 4 Pax & 6 Pax, we have considered Scorpio / Similar vehicles, and for 8 Pax and above till 12 pax, we have taken Toyota Hiace.
- ❖ In case of an increase in the number of heads, including children above the maximum capacity of vehicles considered, the guests will have to take the bigger vehicle for which supplement costs shall apply as mentioned above. For example, the capacity of car-like Ford / Fiat / Manza / Swift Dezire is 3 Pax, so if a group size consists of 4 pax, then the guests would have to pay a supplement for using Scorpio instead of SUV as mentioned above.

## **IMPORTANT INFORMATION ABOUT THE VEHICLES PROVIDED & THE GUIDES ALLOTTED:**

- ❖ **Vehicles in Nepal are not on a disposal basis. To make full use of the day and complete the itinerary within the scheduled time, the guests must follow the timings given by our guide and driver.**
- ❖ **Chitwan being a jungle, hotels, lodges, and resorts provide vehicles for transfers and jungle activities. These vehicles may be of different categories from what has been provided in the voucher and other places. They may also not have air condition facilities.**
- ❖ **Our standard packages for Nepal do not include a guide. If the guests want a guide, a specific request has to be made via email. For such guides, extra supplemental charges will be applicable.**
- ❖ In case of operational or mechanical problems, we reserve the right to change the vehicle between tours.
- ❖ In case any sightseeing is closed on any particular day, we shall make arrangements to provide alternate sightseeing on the same day.
- ❖ It is requested that the guests are soft and gentle with the drivers. The drivers are from remote places, and some do not know how to speak as they are not educated in tourism etiquette.
- ❖ Cancellation – Since the Vehicles are limited in number, cancellation rules will be applicable on the complete tour package, including the transport cost.
- ❖ Generally, in Nepal, because of its location & Altitude, AC is not required; hence for the vehicles, we write NAC. If the guests insist on AC, Supplement cost per vehicle selection will be applicable. The AC will be on when the vehicle is on the move only. In case of uphill drive, AC shall be switched off.
- ❖ In Pokhara, the vehicles from Kathmandu are not allowed to do the sightseeing due to Transportation Union. Hence a local vehicle will be provided for the same.
- ❖ As the vehicles may change, please ensure that you do not leave your belongings in the vehicle as there is minimal possibility of getting them back. "We in no way will be responsible for the act."
- ❖ Please do note that cars in Nepal do not have carriers. When the guests have opted for vehicles like Car (Ford / Fiat / Manza / Swift Dzire / Similar) or Scorpio / Similar, please inform the guest to travel light with minimum baggage. For instance, the dicky of the cars can accommodate two large suitcases, and one or two small handbags can fit. In case of excess baggage, the guest will have to opt for an extra vehicle for carrying the excess baggage. The guest will directly pay the cost for this on the spot.
- ❖ Suppose the guests opt for a higher category vehicle instead of what is allotted. A higher category vehicle shall be provided at extra costs, which will be recovered on the spot. For instance, guests have been allotted Swift Dezire, and they later request Scorpio. In such a case, the guests have to pay supplemental charges on the spot.
- ❖ If the guests opt for any additional sightseeing not mentioned in the itinerary, additional charges shall be recovered on the spot.
- ❖ The vehicles provided by us in Nepal are not meant for self-drive. Only drivers can drive the vehicles.
